## TCU Focuses on Transportation

**TCU** – Transportation Communications International Union is part of a multi-billion dollar industry involving railroads, mass transit, and airline companies. Good employees are needed now! You, too, can be a part of this industry and receive a great starting salary, excellent benefits, job security, and a chance for advancement. **The average railroad wage after five years is \$19.40 an hour! For those who like to travel, passenger railroads and airlines often have travel benefits!**

### **LET TCU ASSIST IN YOUR CAREER PLACEMENT!!!**

#### **Some opportunities are...**

- Airline and Railroad Customer Service Representatives
- Airline and Amtrak Marketing and Sales Representatives
- Amtrak On Board Service Attendants
- Airline Flight Attendants
- Airline and Amtrak Ticket Agents
- Airport TSA Screeners
- Airline and Amtrak Baggage Handlers
- Railroad Brakemen and Switchmen
- Passenger and Freight Railroad Conductors
