

TCU Career Placements are in the Stratosphere!

Program Year 2006 (July 1, 2006- June 30, 2007) was again another great year for the TCU Program in the Transportation Industry. TCU placed 133 graduates in transportation careers at an average rate pay of \$12.49 per hour. Another 160 graduates were placed in training related positions, with a combined total of 293 graduates earning an average of \$11.42 per hour. Add to this figure another 59 graduates placed in other positions and this makes a combined total of 352 career placements earning an average of \$10.72 per hour.

Highlights of the program year include...

TCU partnered with 12 different airline/airport employers including these 5 airlines:

Air Wisconsin, Frontier, SkyWest, Southwest and United Airlines.

TCU surpassed the 1000th mark for AMTRAK placements in Program Year 2004 and AMTRAK continues to be TCU's top passenger train partner for placements in PY 2006.
